Re: Bus Passes and changing routes
Date: 8-25-20

While under the limitations of COVID-19, last minute changes regarding the bus your student rides cannot be accommodated. If, for example, your student is an “A-day” student and is always going to one house (within the A Day territory) on Tuesday, and a different house on Thursday, but it is consistent, we will make that work. However, stand-alone changes or last minute changes will not be able to be accommodated. If need be, staff will stay at school with your student until they can be picked up, or some other accommodation can be made based on the specifics. This is a big change from years past that all parents should be aware of!
