## WEST LANE VENETA DAIRY QUEEN 2021 SCHOLARSHIP

West Lane Veneta Dairy Queen is offering scholarships to graduating seniors from Crow, Elmira, Triangle Lake, and West Lane Tech schools who are entering college or a trade school program in the fall of 2021. The awarded amount per selected student is \$250, and will be paid directly to the applicant's enrolled school.

Winning applicants must provide an acceptance letter for their college, university, or trade school indicating their enrollment for the fall 2021 term, or registration letter.

Scholarships will be selected based on a written essay, GPA/transcripts, Applicant Data Sheet, and may be followed up by an interview. The written essay should be between 500-750 words and can be from any of the three prompts:

1. What does community mean to you?
2. What has living during a pandemic over the last year taught you?
3. Who has been an inspirational figure to you and why?

### Completed Applications include:

- Applicant Data Sheet (see page 2)
- Written Essay on one of three topics listed above
- Official High School Transcripts
- A copy of school/ program acceptance letter for Fall of 2021, or proof of registration, or list of school/programs the applicant is waiting to hear back from.

The due date for applications is May 21st.

Completed applications can be submitted to your school's counselor, Brittany McMillan, either by email or physical copies. Confirmation that your counselor has received your completed application by the due dates is the responsibility of each student.

Good luck to all our applicants. We look forward to learning more about you.

Sincerely,  
West Lane Veneta Dairy Queen Staff

### 2021 SCHOLARSHIP PROGRAM – APPLICANT DATA SHEET
