

**Fern Ridge School District 28J**

**Emergency School Closure  
Information  
2016-2017**

(Please save for future reference)

October 1, 2016

Dear Parents:

It's time once again to make preparations for dealing with inclement weather. With winter fast approaching, we may be forced to delay or close school, or even send students home early because of threatening weather conditions.

I'm asking that you please be sensitive to the changing weather conditions. School closures, delays, and early closures will be broadcast over Eugene area radio and TV stations.

Closure information will also be available over the internet at [www.fernridge.k12.or.us](http://www.fernridge.k12.or.us). Then click on weather closures. The current information will be posted. You can also go directly to [www.FlashAlert.net](http://www.FlashAlert.net).

Please review the following information:

**SCHOOL CLOSURE:** Decisions about early morning delays and school closures will be made prior to 6:30 a.m. The decision to close will be forwarded to the radio and TV stations. PLEASE DO NOT CALL THE RADIO or TV STATIONS. The message will be on the air. Please check more than one station as sometimes they don't post the information in a timely manner.

**LIMITED BUS SCHEDULE:** There may be times that weather conditions call for us to run a limited bus schedule. When possible, we will run a limited bus schedule rather than close school. The LIMITED BUS SCHEDULE is attached. It will also be posted on the District's website.

**EARLY CLOSURE:** If we are forced to close school early, you will be informed through the radio and TV stations. If the same Limited Bus Schedule will be followed when dropping off students in an early closure situation it will be announced. Please make arrangements in advance for the care and supervision of your child.

**EARLY/EMERGENCY CLOSURE DURING THE SCHOOL DAY FOR GRADES K-8:**  
If the need arises for an emergency closure during the school day, every attempt will be made to contact a parent/guardian. No child will be released unless a contact has been made with a parent/guardian or the emergency person listed. Parents are encouraged to pick their child up and, as always, have the choice of picking up their child or sending them home on the bus.

**Please ensure that your child's school has your current contact information including all phone numbers and where you can be reached during the school day.**

***ADVANCE PLANNING IS THE KEY FOR THE SAFETY OF OUR CHILDREN.***

Your cooperation is appreciated.

Respectfully,

Gary E. Carpenter, Jr.  
Superintendent
