

♥ Welcome to Kindergarten

Kindergarten Information Night for 2018-2019

Thursday, March 15th, 2018 6:00-7:30 pm

Elmira Elementary is excited to offer an evening of information for our incoming Kindergarten families.

For many children, Kindergarten is the beginning of their education and their first steps outside the familiarity of home. For many parents, it's the start of a relationship with their public school system.

In Kindergarten, students develop a love for learning. They begin to feel comfortable in a new environment as they advance their basic skills such as working with others, listening, and sharing. Throughout the year, students will expand their academic skills in reading, writing, and math.

Elmira Elementary strives to give parents and students the right start in education by caring for and understanding each child's needs and each parent's concerns. We encourage parents to contact us whenever they have questions or concerns.

Schedule

6:00-6:30 p.m. --- School Tour

6:30-7:30 p.m. --- Parent Information Session – EES Library
