

Eating Lunch at Elmira

Eating lunch at Elmira will look different than it did before. We want to show you what to expect when you eat lunch at school.

Before coming to lunch, you will wash your hands in the classroom or restroom.

When walking to lunch...

- Use walking feet
- Stay in line
- Use a quiet voice
- Keep hands, feet and body to yourself

If you ordered school lunch, you will wait in line to get your lunch.

If you brought a home lunch, you may pick a seat and start eating.

Sit at a spot marked by a cone. Sit at the tables with the **green** and **yellow** cones first. Red cones last.

An adult will remove the cone after you sit down. Please keep your hands off the cones.

You will be able to use the restroom in the cafeteria.

While you are eating,
put your face
