

Wearing a Face Covering at Elmira

Keeping Everyone Safe

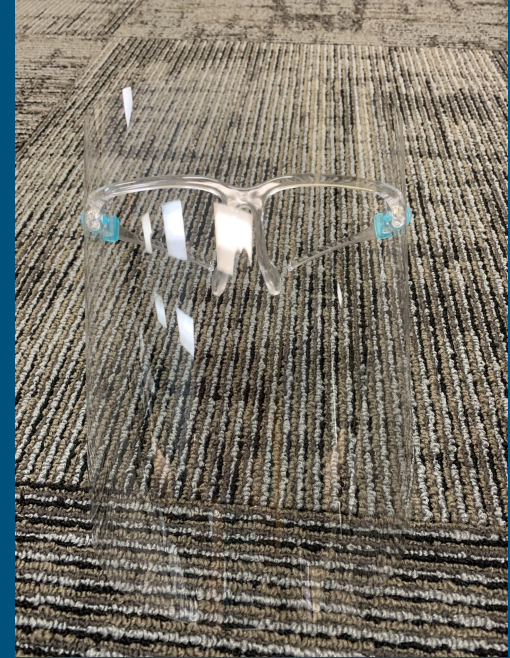

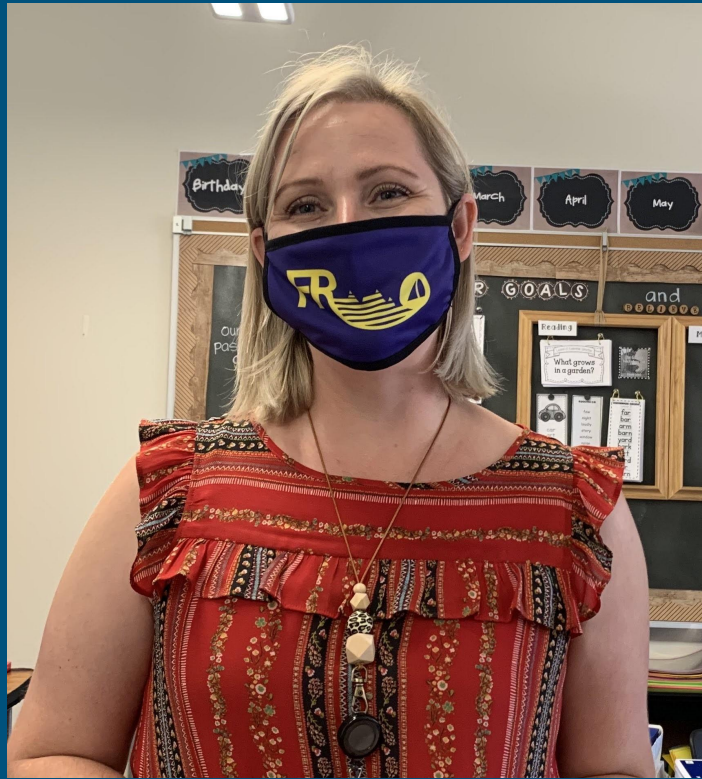

Wearing a face covering at school is required and is important to keep students, staff, families and yourselves safe.

Everyone at school will be wearing a face covering.

If you do not have a face covering, the school will give you one to wear while you are at school.

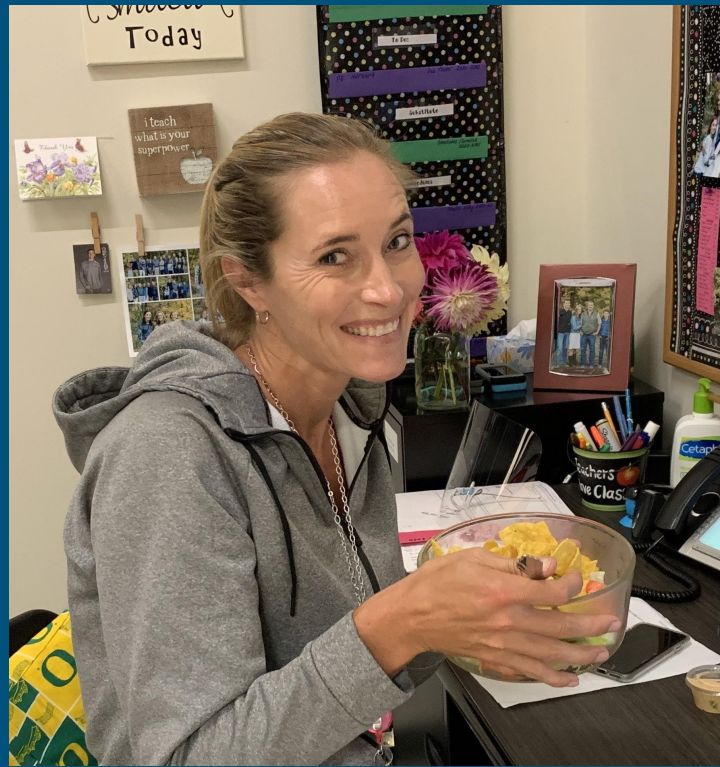

Try to keep your hands off your face covering. If your face covering gets wet or dirty, ask your teacher for a fresh face covering.

Even when you are wearing your face covering, try to stay six feet away from teachers and staff.

It is important to wear your face covering on the bus, in the hallways, using the restroom and at recess.

You do not need to wear a face covering when you are eating or drinking.

Your teacher will have a space for you in class to take a short break from wearing your face covering.

Wearing a Mask

Covers only your mouth and nose

Loops stay around your ears

Covering stays over your mouth

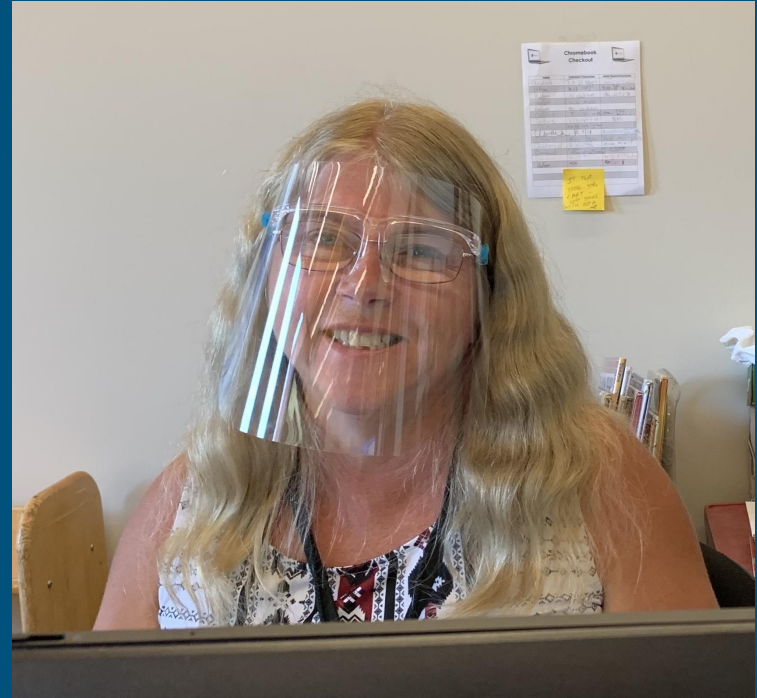

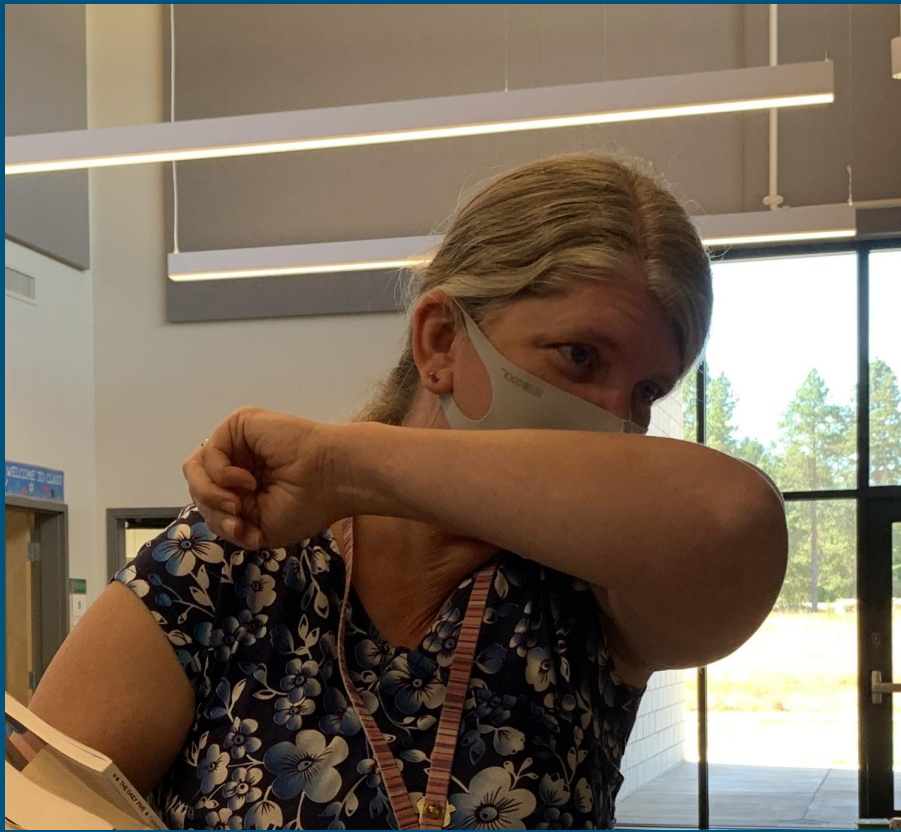

Wearing a Face Shield

Covers your whole face

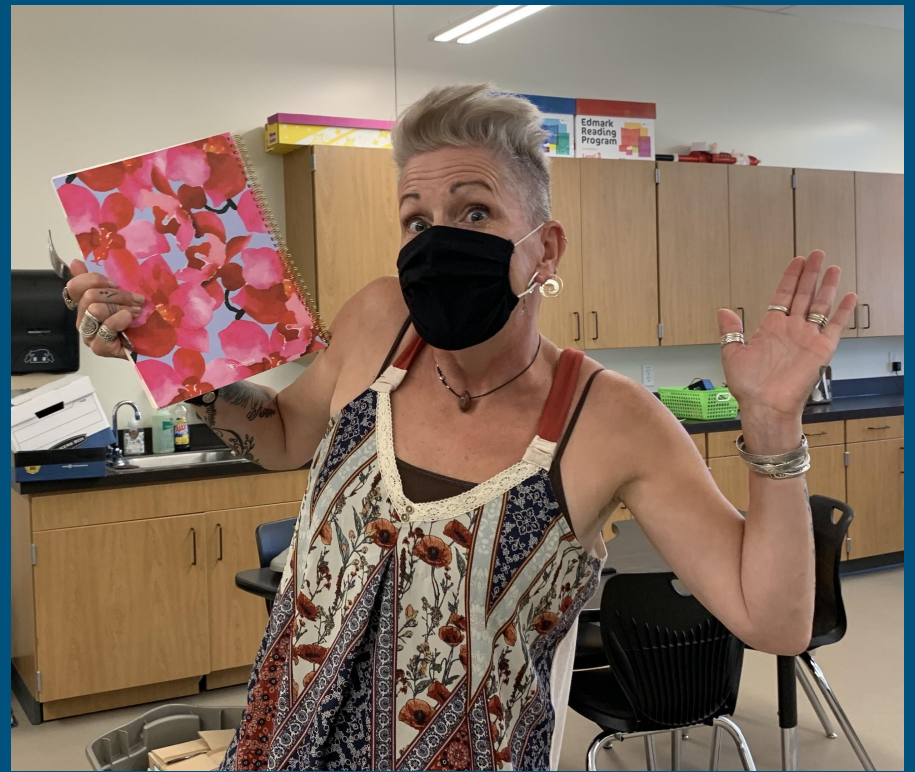

Stays in place on your face

Wear the shield the way it was meant to be worn

If you need to sneeze or cough, leave your face covering on. Throw any tissues in the garbage. Please wash your hands or use hand sanitizer after.

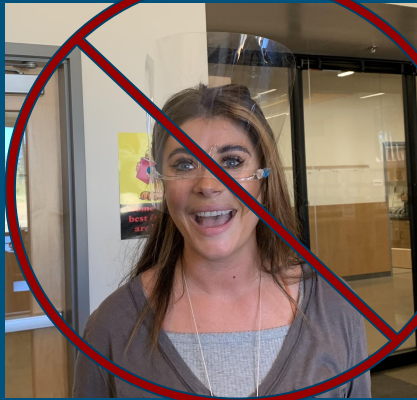

Wearing a face covering can feel different and uncomfortable at times.
Thank you for wearing your face covering to keep everyone safe.

What's Wrong Here?

Face coverings should be worn over the nose and mouth

What's Wrong Here?

Masks should be looped around both your ears

What's Wrong Here?

Face coverings are tools and should stay on your face or in a safe place

What's Wrong Here?

Face coverings should cover only your nose and mouth

What's Wrong Here?

Masks should stay
out of your mouth

What's Wrong Here?

Keep items out of
your face
coverings

Your face covering belongs to you only. This is not the time to share with others.

Even superheroes wear face coverings.

We are all doing our part to be
Elmira Eagle Superheroes.
