Attendance Policy

Your student is counted present when they participate in class activities or when they interact with their teacher or an educational assistant. Some interactions that count positively for attendance include:

Participating in a live class.

Posting completed coursework to Google Classroom or through email or similar.

Communication between the student or student's family and the teacher

Turning in **completed assignments** on a given day.

When there is no evidence of student interaction during a 24-hour period surrounding a scheduled school day as described above, students are reported as absent.

If family events, work schedule, or related reason prevent your student from attending for a 24-hour period or longer, please contact Elmira Elementary: **54-935-8214**
