

Wearing a Mask at Elmira

Keeping Everyone Safe

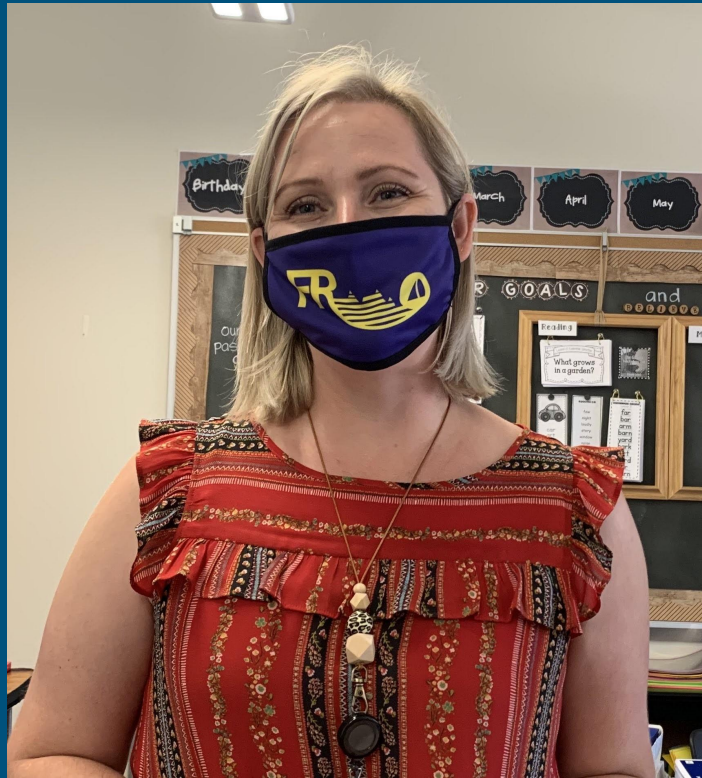

Wearing a mask at school is required and is important to keep students, staff, families and yourselves safe.

Everyone at school will be wearing a face mask.

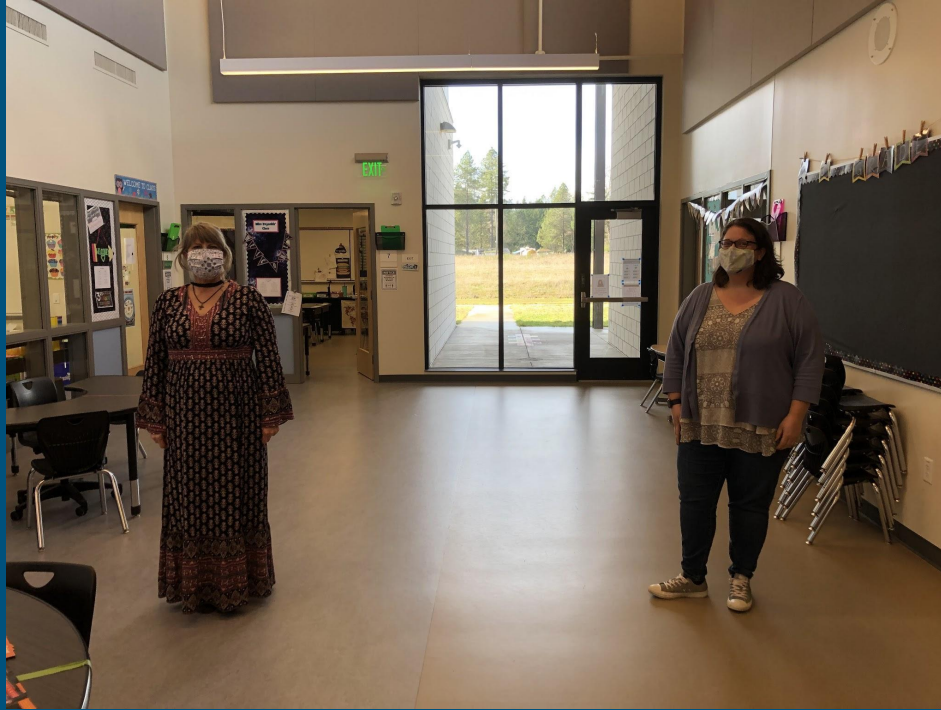

If you do not have a mask, the school will give you one to wear while you are at school.

Try to keep your hands off your mask. If your mask gets wet or dirty, ask your teacher for a fresh mask.

PLEASE STAY 6FT APART

Even when you are wearing your face covering, you will need to stay six feet away from teachers and friends.

It is important to wear your mask on the bus, in the hallways, using the restroom and at recess.

Mask Break!

1. Take off your mask and hang it on the hook.

2. Turn the sand timer over to start the time.

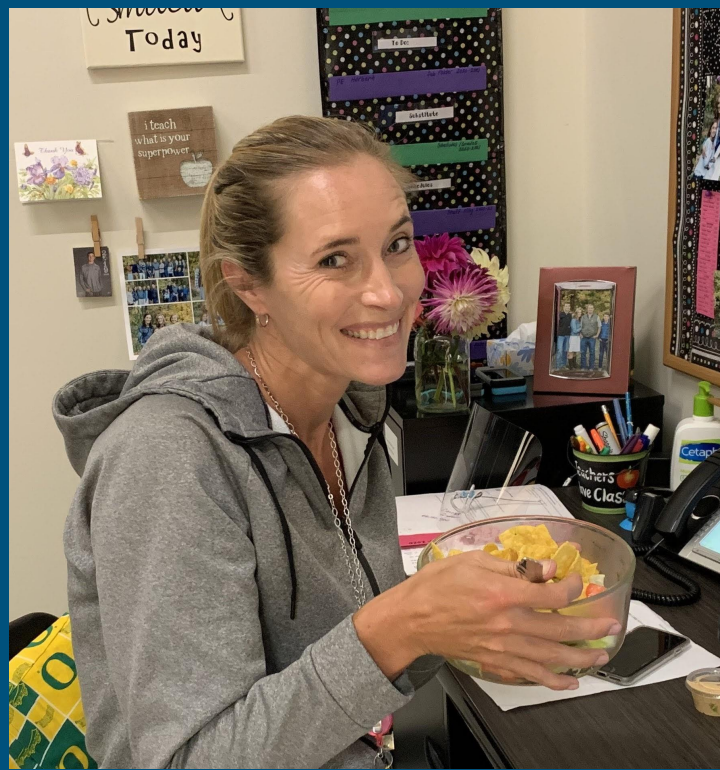

3. Take BIG deep breaths and relax.

4. When the time is up, put your mask back on and return to work.

Your teacher will have a space for you in class to take a short break from wearing your mask.

You do not need to wear your mask when you are eating or drinking.

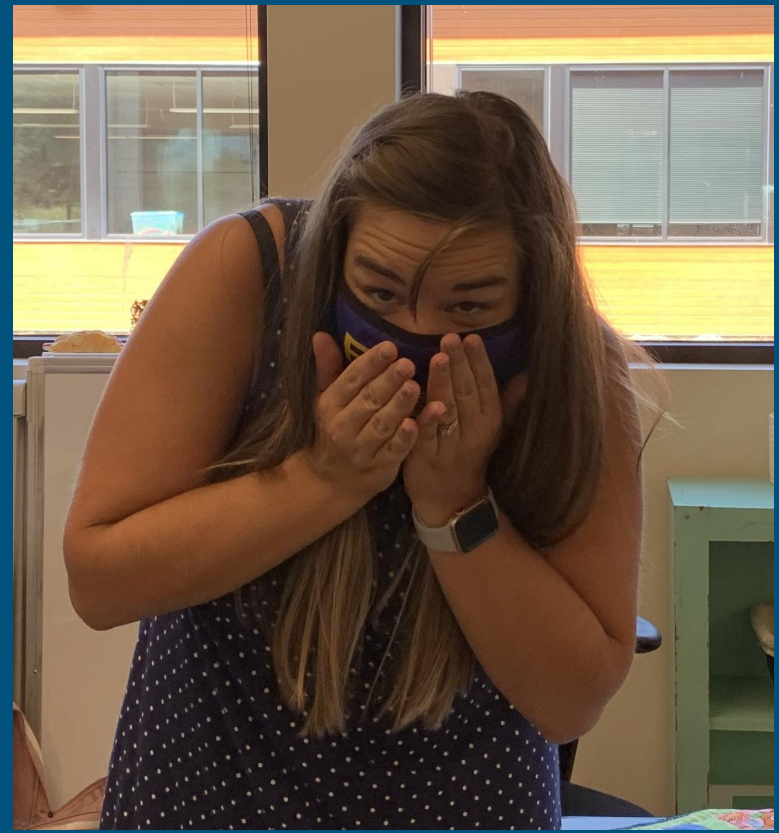

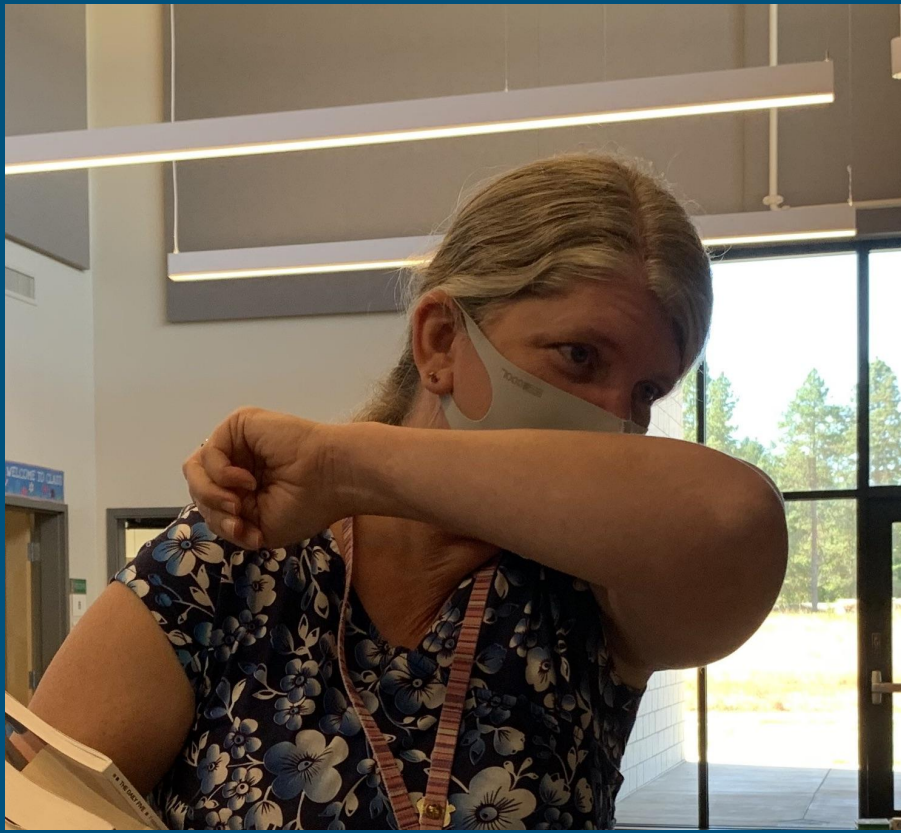

Wearing a Mask

Covers only your mouth and nose

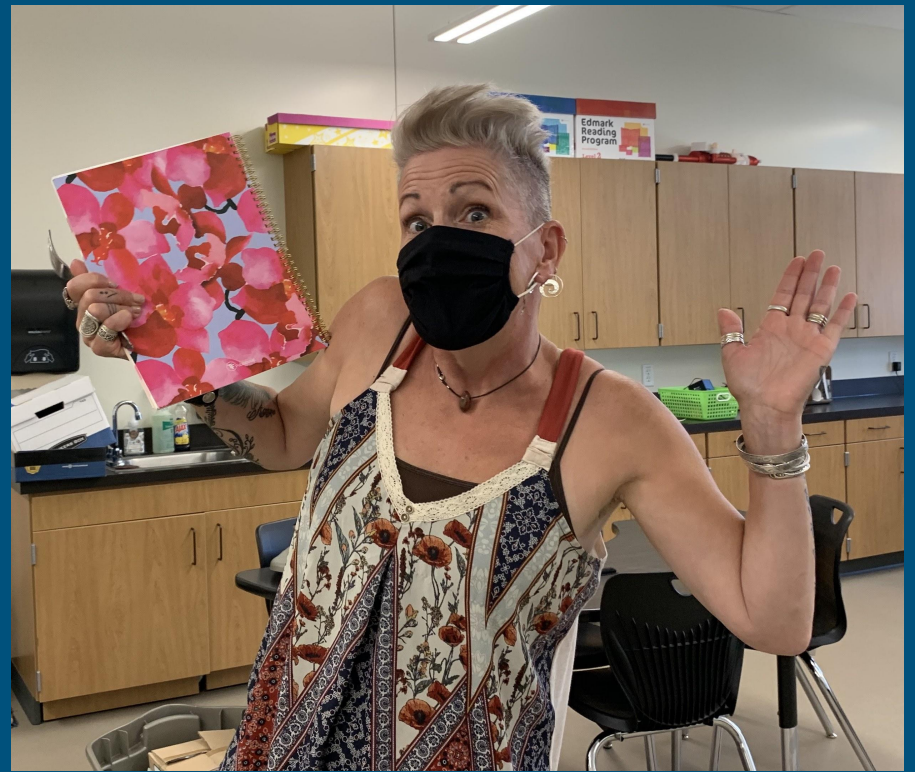

Loops stay around your ears

Covering stays over your mouth

If you need to sneeze or cough, leave your mask on. Throw any tissues in the garbage. Please wash your hands or use hand sanitizer after.

Wearing a mask can feel different and uncomfortable at times.
Thank you for wearing your mask to keep everyone safe.
