

Did you know, High School Equestrian Team is a Varsity Sport in our Community!

The South Valley District consists of over 100 athletes and their horses from local high schools. This is an OSAA regulated varsity high school sport that is funded solely on donations from the community and parent's pockets. Equestrian athletes do not get any school funding and also have to pay out-of-pocket for the arena fees they practice in. All coaches, advisors, district chairs and state chairs are volunteers that put in thousands of hours each season to make this wonderful sport possible for our athletes. Athletes start practice in November and continue thru May when the State meet is held in Redmond, OR. We would love community support for our athletes through donations, liking our FB page or attending the district meets located in Eugene to cheer on these athletes that put so much time into a sport they love. We are also looking for district sponsors. Thank you for supporting our local athletes.
