

## WELCOME TO ONLINE REGISTRATION

**\*Please read all directions before beginning\***

**\*Guardian must have a valid email address for submission process\***

These forms become part of your child's permanent cumulative record file. They must be accurate with LEGAL information for the student, as well as the guardian(s) and other contacts. When completing these forms, please keep in mind the Fern Ridge School District will receive the data exactly as entered. Please be careful of spelling, capitalization, and punctuation.

***IMPORTANT NOTES: To complete the new student enrollment process, parent(s)/guardian(s) will need to provide student's immunization/vaccination records, proof of residency (i.e. utility bill) and birth certificate. New High School students (grade 10-12) will need to provide a copy of your student transcript for scheduling purposes. You are not required to upload forms via the online registration system; this feature is optional. Failure to upload documents will not prevent you from submitting your registration forms. Any forms or other documents may be picked up, then brought into your student's school and office personnel will be able to make copies and answer any questions.***
