Median class size.

REGULAR ATTENDERS

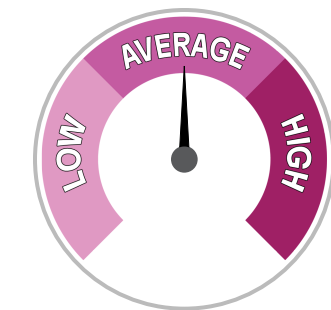

Students who attended more than 90% of their enrolled school days.

Academic Progress

INDIVIDUAL STUDENT PROGRESS

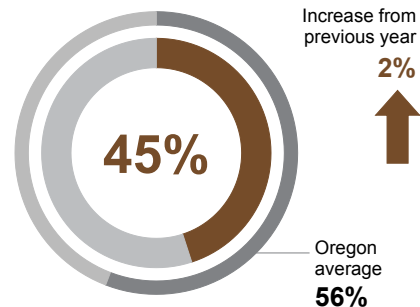

Year-to-year progress in English language arts and mathematics.

Academic Success

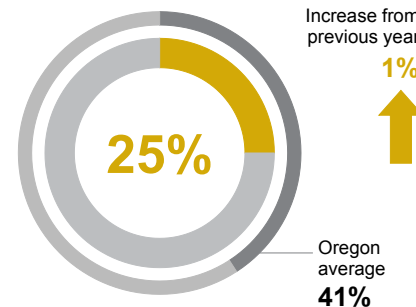

ENGLISH LANGUAGE ARTS

Students meeting state grade-level expectations.

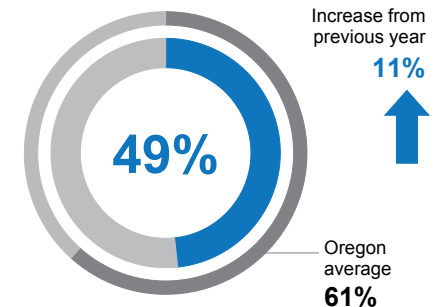

MATHEMATICS

Students meeting state grade-level expectations.

SCIENCE

Students meeting state grade-level expectations.

School Goals

FRMS continues to work towards its goal of improving student achievement by building a school where students are actively engaged in their learning and connected to their school and community. Our High Five program promotes positive behavior in students. In 17-18 we shifted to a seven period day to allow students to take electives like computer coding in addition to their core classes. For 18-19, we want to meet our goals of continued improvement on state testing and improvement in school climate by offering targeted support classes in math and reading, implementing systematic positive incentives, and improving attendance.

State Goals

The Oregon Department of Education is working in partnership with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

FRMS creates a safe, warm, and welcoming school community for all of our students through our use of PBIS strategies. We have a system of rewards and incentives for students who meet our very clear High Five Expectations. Students are taught what is expected of them, rewarded when they meet those expectations, and face systematic consequences when they don't. Students earn High Five Kudos which they can spend at our student store. We also have incentive activities throughout the year for students to encourage them to do their best. FRMS staff are also very proactive and use active supervision techniques.

Outcomes

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

To ensure a safe and secure learning environment for all of our students, our school ensures that students who bully others face significant consequences for their behavior, on a case by case basis. Staff have been trained in how to identify bullying behavior, how to support the victims of bullying, and how to help students who bully learn not to. Working with our student leadership students and utilizing our homeroom structure, we also provide training for students in expecting respect, building community, collaborating with others, and how to safely and positively stand up for themselves or stand up for others when encountering a bullying situation.

EXTRACURRICULAR ACTIVITIES

FRMS has two major activities that meet during the school day that any student can participate in- Student Leadership and Oregon Battle of the Books. The FRMS band and choir groups perform throughout our community. While not directly connected to Fern Ridge Middle School, our students can participate in community sports programs that include wrestling, volleyball, football, track and field, and baseball/softball. FRMS students also participate in community theater through Applegate Regional Theater.

PARENT ENGAGEMENT

Our school believes that having actively engaged parents promotes student learning. We encourage parents to attend our monthly parent meetings, serve on Site Council, and volunteer for school activities such as dances and field trips. We keep parents informed through the use of our school website, a text messaging system, emails, and flyers home. We also use Home Access to allow parents to keep track of student's grades, find out what assignments are missing, and essentially see the teacher's grade book before the final grade is given, allowing parents to track their student's progress.

COMMUNITY ENGAGEMENT

Fern Ridge Middle School benefits greatly from community support and engagement. Our schools help support community activities such as the Kiwanis Annual Food Drive or the City of Veneta Tree Lighting Ceremony or Light Parade. We also provide facilities for local community youth sports programs including football, soccer, track and field, basketball, and volleyball.
