

FRMS 8th Grade Promotion Plan

Please read this information carefully. Because we don't know what our metrics will be in June, we have come up with a Plan A and a Plan B. We also need to take steps to limit group size and stay within the required guidelines. Thank you for your understanding. FRMS Staff.

Plan A:

Indoor Ceremony in the FRMS gym on Wednesday, June 16th.

"A" Block students at 6:00 PM

"B" Block students at 7:45 PM

- **STUDENTS WILL BE LIMITED TO JUST TWO GUESTS**
- Families must social distance on school grounds- in the parking lot, hallways, and in the gym.
- Masks must be worn by all students, guests, and staff.
- Ceremony will include 8th grade awards.
- In between ceremonies, the gym will need to be cleaned and disinfected.
- We will be asking families to leave shortly following their ceremony so we can clean and set up for the next group.
- Options Families- Your student is invited to participate. If you are unsure whether they are A or B student, call Options or call FRMS to find out.
- 8th grade students attending 4 days a week will be considered A or B for the ceremony based on whether they were A or B third quarter. Not sure? Call us!
- There will be no dance or celebration for the students after the ceremony. Instead we will have celebrations and parties for them on during their last day of school.
- The last day of school for 8th grade FRMS Hybrid A Block students will be Tuesday, June 15th and for 8th grade FRMS Hybrid B Block students it will be Wednesday, June 16th.

Plan B

If on Friday, June 4th OR Friday, June 11th, Lane County is in Moderate, High, or Extreme Risk, we will cancel the indoor ceremony and default to a drive through celebration. The drive thru celebration for all students would be from 6:00 to 7:30 PM on Wednesday, June 16th. Students and their families will drive past a gauntlet of staff members celebrating them to pick their certificates.

Any change of plans would be announced to families through the school website and our remind.com text messages on by June 5th or June 12th.

Note: Each student will be limited to two guest tickets for promotion. Students will not be allowed to give other students their guest tickets and we will not be redistributing any unused tickets.
