

FRMS Summer Learning Camp

Fern Ridge Middle School staff would like to invite your child _____ to attend our FRMS Summer Learning Camp from July 12th to August 5th. Students will attend Monday thru Thursday 9:30 to 1:00. FRMS Summer Learning Camp will be for students who will be in the 7th, 8th, or 9th grade during the 21-22 school year.

Each day will include:

Language Arts Instruction

Math Instruction

Field Games (Frisbee Golf, Field Hockey etc)

Summer Camp Style Electives- Arts and

Crafts, STEM Projects, Recreational Games, and other fun classes.

Lunch on site

There will also be an “End of Camp Field Trip” included. We are working on making the field trip a fun reward for students for coming to our Summer Learning Camp.

We know the last year has been tough on everyone and we are excited to offer this four-week opportunity for your child to get some additional academic support, reengage in learning, and have some fun. We are offering this chance to a limited number of students at each grade level so every “camper” can get the staff attention they need to succeed.

Required COVID guidelines will be in place. At this time, we are waiting for guidance from ODE on what those will be for summer programs but they may include mask wearing and social distancing.

If you would like to sign your child up for this opportunity, please sign the attached slip and return it in the envelope provided. If your child will not be joining us, please indicate that on the form and return it in the envelope provided or call the office. That will allow us to contact the next student on our waiting list.

FRMS Summer Learning Camp Registration

Student Name: _____

21-22 Grade Level: _____

Parent/Guardian: _____

Email: _____

Phone: _____

What is the best way to contact you between 9:30 and 1:00 Mondays thru Thursdays?

Emergency Contact if Parent Cannot Be Reached:

Name: _____ Contact Number: _____

Please read each of the statements below and check the ones that apply to your child.

- ☐ My child will need bus transportation to the FRMS Summer Learning Camp. (Bus barn will be in touch to arrange pick up/drop off times and locations)
- ☐ I will provide transportation (Students will not be supervised before 9:00 or after 1:30)
- ☐ My child will bring their lunch with them.
- ☐ My child will participate in the school lunch program. (Lunches will still be free this summer)

Breakfast will not be provided.

Please note: Summer Learning Camp will be a total of 16 days Mondays thru Thursdays over four weeks. For students to get the most out of this opportunity, they should attend, if possible, at least 14 of the 16 days.

By signing below, you are registering your child for our 2021 Summer Learning Camp. Students will need to attend from 9:30 to 1:00 Mondays thru Thursdays from July 12th to August 5th.

If you have any questions or want more information about our Summer Learning Camp please feel free to give the school a call at 541-935-8230.

Please return this form to the FRMS Office ASAP so we can finalize our plans for our FRMS Summer Learning Camp. The form can be emailed to ojohnson@fernridge.k12.or.us or dropped off before noon on Friday, June 25th.

Summer Learning Camp FAQ

1. **How many students will attend?** 14 students at each grade level have been invited. Class size for language arts, math, and the just for fun elective will be 7. Field Activities will be in groups of 14.
2. **Will there be transportation?** Yes. Once we get our lists finalized and we know who our 14 students that will be attending are, we will give that list to the bus barn and they will start working out routes.
3. **When is Summer Learning Camp?** Summer Learning Camp starts on July 12th and goes till August 5th for a total of 16 days. It will be Mondays thru Thursdays only from 9:30 to 1:00.
4. **When is lunch?** Lunch will be served onsite. Students can bring a lunch from home or get a lunch from school. Make sure you check the box for a school lunch on the form.
5. **What will the day look like?** We have divided the day into four parts plus lunch. Students will take Language Arts and Math each day. They will also have a Field Activity class outside each day- where they will play field games like Frisbee Golf or Field Hockey. Finally, each student will have a just for fun class which may be an arts and craft project, or painting, or a STEM activity, etc. We are planning for a different activity class each week.
6. **Why call it a Summer Learning Camp?** We don't want these four weeks to look like or feel like a typical school experience. We want students to build skills in reading and math and just reengage where they may have disengaged over the pandemic. We also want them to have fun which is where the field games and the Just for Fun Activity Class come into to play.
7. **What if we have a family vacation planned?** We want students to be at the Summer Learning Camp every single day if possible. We know that 100% attendance might not be possible for all students, but they shouldn't miss more than a few days of the 16 day session. Any more than that, and they miss critical instruction. If the family vacation is going to have them out of Summer Learning Camp for a week or more, it might be good for your child to not to come to camp, to give their spot to someone on the wait list, and to enjoy their family vacation.
8. **Will there be COVID restrictions?** As of 5/24/21, we expect that students will have to socially distance and wear masks inside the building with no masks required outside for field activities. That may change as the guidance changes. We will notify families of any changes.
