MARS ATTACKS!

With the Martian invasion in full swing now, they will need to give updates to their overlords on Mars. In the space below, write the Martians report back to their home base. The report needs to be in the 1st person (I, We) point of view and should use lots of descriptive (5 senses) words. Your report should include the setting (Earth), the inhabitants, and how things are going. You need to use complete sentences. For BONUS points, write the report as a poem, or a rap!
