## 2016-17 School-Parent Compact

Dear Families,

Veneta Elementary School has a school wide program funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA). Title funds are used to provide additional support to students in reading and math. This compact, required by Title 1, outlines how the parents, the school, and the students share the responsibility and work together to improve student performance in these critical areas. Additional information about our Title One program can be found on the school website.

Thank you,

Veneta Elementary School
