

LANE ARTS COUNCIL All About Art Summer Camp

Session 1 June 26th-29th, Monday -Thursday

At the All About Art Camp, students will explore Birds, Bugs and Beasts, the wildlife of Fern Ridge. This first session will honor the wildlife theme while experimenting with ceramic tile painting, watercolors and silk painting. Artists will create designs in the round by making individual silk paintings to take home. Campers will also learn how to make their very own drawing books to continue their work for the remainder of the summer.

Session 2 July 3rd-7th, Monday, Wednesday, Thursday and Friday

This week students will learn the basics of drawing and color theory while continuing to work with drawing books. Campers will also work in 3D sculpture and learn how to paint animals in their habitats with watercolors.

Session 3 July 10th-13th, Monday -Thursday

For this session, students will participate in animal related mask making, drawing and silk painting! Campers will have an opportunity to create a large community silk banner with the other art campers.
