School Newsletter	We have a monthly school newsletter that goes home with students. A copy of the school newsletter is also available on our website and in the front office.
Reader Board	Check out our reader board for reminders about important events like Open House.
Auto-Dialer	The school district has an automatic phone dialing system that is used to communicate with families. It will call the number listed as your child's home number.
Classroom Communications	Teachers communicate with families on a regular basis. Some do this through a classroom newsletter, some through email, and some through a classroom text message list. Contact your child's teacher directly for more information.
PALS Facebook Page	Our parent group PALS (Parent Action League for Students) has a Facebook Page. They post information from the school as well as information about PALS events. Just search Veneta PALS to find it.
PALS Website	Our parent group has a website that explains who they are, what they do, and how you can get involved. Visit venetapals.org and check it out!
