- 15 **Force Majeure.** Neither party shall be held responsible for delay or default in the performance of its obligations due to a cause beyond its reasonable control, including, but not limited to fire, riot, acts of God, terrorist acts or war where such cause was beyond such party's reasonable control. Each party shall, however, make all reasonable efforts to remove or eliminate such a cause of delay or default and shall, upon the cessation of the cause, diligently pursue performance of its obligations under the Contract.
- 16 **Waiver.** The failure of Owner to enforce any provision of this Contract shall not constitute a waiver by Owner of that or any other provision.

Contractor may refer to the Work Product in its brochures or other literature that Contractor utilizes for advertising purposes and, unless otherwise specified, Contractor may use standard line drawings, specifications and calculations on other, unrelated projects.
- 18.9 Confidential Information. Contractor acknowledges that it or its employees, subcontractors or agents may, in the course of performing their responsibilities under this Contract, be exposed to or acquire information that is the confidential information of Owner or Owner's clients. Any and all information provided by Owner and marked confidential, or identified as confidential in a separate writing, that becomes available to Contractor or its employees, subcontractors or agents in the performance of this Contract shall be deemed to be confidential information of Owner ("Confidential Information"). Any reports or other documents or items, including software, that result from Contractor's use of the Confidential Information and any Work Product that Owner designates as confidential are deemed Confidential Information. Confidential Information shall be deemed not to include information that: (a) is or becomes (other than by disclosure by Contractor) publicly known; (b) is furnished by Owner to others without restrictions similar to those imposed by this Contract; (c) is rightfully in Contractor's possession without the obligation of nondisclosure prior to the time of its disclosure under this Contract; (d) is obtained from a source other than Owner without the obligation of confidentiality; (e) is disclosed with the written consent of Owner; or (f) is independently developed by employees or agents of Contractor who can be shown to have had no access to the Confidential Information.

Contractor agrees that, except as directed by Owner, Contractor will not at any time during or after the term of this Contract disclose, directly or indirectly, any Confidential Information to any person, except in accordance with this Contract, and that upon termination of this Contract or at Owner's request, Contractor will turn over to Owner all documents, papers, and other matter in Contractor's possession that embody Confidential Information.

- 18.11 Injunctive Relief. Contractor acknowledges that breach of Section 18.9 and 18.10, including disclosure of any Confidential Information, will give rise to irreparable injury to Owner that is inadequately compensable in damages. Accordingly, Owner may seek and obtain injunctive relief against the breach or threatened breach of this Section 18.11, in addition to any other legal remedies that may be available. Contractor acknowledges and agrees that the covenants contained herein are necessary for the protection of the legitimate business interests of Owner and are reasonable in scope and content.
- 18.12 Publicity. Contractor agrees that news releases and other publicity relating to the subject of this Contract will be made only with the prior written consent of Owner.
- 18.13 Security. Contractor shall comply with all virus-protection, access control, back-up, password, and other security and other information technology policies of Owner when using, having access to, or creating systems for any of Owner's computers, data, systems, personnel, or other information resources.

- 19.1 Parties Right to Terminate by Agreement. This Contract may be terminated at any time, in whole or in part, by written mutual consent of the Parties.
- 19.2 Owner's Right to Terminate for Convenience. Owner may, at its sole discretion, terminate this Contract, in whole or in part, by written notice to Contractor specifying the termination date of the Contract.
- 19.3 Owner's Right to Terminate for Cause. Owner may terminate this Contract immediately, in whole or in part, upon written notice to Contractor, or such later date as Owner may establish in such notice, upon the occurrence of any of the following events:
- 19.3.1 Owner lacks lawful funding, appropriations, limitations or other expenditure authority at levels sufficient to allow Owner, in the exercise of its reasonable discretion, to pay for Contractor's Services;
- 19.3.2 Federal, state or local laws, regulations or guidelines are modified or interpreted in such a way that either the Services under this Contract are prohibited or Owner is prohibited from paying for such Services from the planned funding source;
- 19.3.3 Contractor no longer holds all licenses or certificates that are required to perform the Services; or
- 19.3.4 Contractor fails to provide Services within the times specified or allowed under this Contract; fails to perform any of the provisions of this Contract; or so fails to perform the Services as to endanger performance of this Contract in accordance with its terms, and after receipt of written notice from Owner, does not correct such failures within the time that Owner specifies (which shall not be less than 10 calendar days, except in the case of emergency).
- 19.4 Cessation of Services. Upon receiving a notice of termination, and except as otherwise directed in writing by Owner, Contractor shall immediately cease all activities related to the Services or the Project.

19.5 Contractor's Right to Terminate for Cause.

19.5.1 Contractor may terminate this Contract if Owner fails to pay Contractor pursuant to this Contract, provided that Owner has failed to make such payment to Contractor within forty-five (45) calendar days after receiving written notice from Contractor of such failure.

19.5.2 Contractor may terminate this Contract, for reasons other than non-payment, if Owner commits any material breach or default of any covenant, warranty, obligation or agreement under this Contract, fails to perform under the Contract within the time specified, or so fails to perform as to endanger Contractor's performance under this Contract, and such breach, default or failure is not cured within thirty (30) calendar days after delivery of Contractor's notice, or such longer period as Contractor may specify in such notice.

19.6 Delivery of Work Product/Retained Remedies of Owner. As directed by Owner, Contractor shall, upon termination, promptly deliver to Owner all documents, information, works in progress and other property that are deliverables or would be deliverables if the Contract had been completed. By Contractor's signature, Contractor allows Owner to use Work Product and other property for Owner's intended use. The rights and remedies of Owner provided in this Section 16 are not exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

20 Payment upon Termination.

20.1 In the event of termination pursuant to Sections 19.1, 19.2, 19.3.1, 19.3.2 or 19.5, Contractor's sole remedy shall be a claim for the sum designated for accomplishing the Services multiplied by the percentage of Services completed and accepted by Owner plus Contractor's reasonable Contract close-out costs, less previous amounts paid and any claim(s) which Owner has against Contractor, except in the event of a termination under Section 19.3.1, where no payment will be due and payable for Services performed or costs incurred after the last day of the current biennium, consistent with Section 6. Within thirty (30) days after termination, Contractor shall submit an itemized invoice for all un-reimbursed Services completed before termination and all Contract close-out costs actually incurred by Contractor. Owner shall not be obligated to pay for any such costs invoiced to and received by Owner later than thirty (30) days after termination. If previous amounts paid to Contractor exceed the amount due to Contractor under this subsection, Contractor shall promptly refund any excess amount upon demand.

20.2 In the event of termination pursuant to Sections 19.3.3 or 19.3.4, Owner shall have any remedy available to it in law or equity. Such remedies may be pursued separately, collectively or in any order whatsoever. If it is determined for any reason that Contractor was not in default under Sections 19.3.3 or 19.3.4, the rights and obligations of the Parties shall be the same as if the Contract was terminated pursuant to Section 19.2.

Contractor shall demonstrate its legal capacity to perform the Services under this Contract in the State of Oregon prior to executing this Contract.

22 **Notice.** Except as otherwise expressly provided in this Contract, any notices to be given hereunder shall be given in writing by personal delivery, facsimile, or mail, postage prepaid, to Contractor or Owner at the address or number as either party may provide pursuant to this "Notice" section. Any notice delivered by mail shall be deemed to be given five (5) calendar days after the date of mailing. Any notice delivered by facsimile shall be deemed to be given when the transmitting machine generates a receipt of the transmission. To be effective against Owner, any facsimile communication or notice must be confirmed by telephone notice to Owner's Representative for the Project and shall not be deemed to be given until such confirmation is completed. Any notice by personal delivery shall be deemed to be given when actually delivered. Regular, day-to-day communications between the Parties may be transmitted through one of the methods set forth above, in person, by telephone, by e-mail,

or by other similar electronic transmission.

- 24 **Conflict of Interest.** Except with Owner's prior written consent, Contractor shall not engage in any activity, or accept any employment, interest or contribution that would, or would reasonably appear to, compromise Contractor's professional judgment with respect to this Project, including, without limitation, concurrent employment on any project in direct competition with the Project.
