

Elmira Falcon Strong Start Academy

Elmira High School is hosting a one-week jump start to high school. This game-oriented, team-building experience is a fun way to ease the transition to a new school by building relationships with older student leaders and staff and getting to know the layout of the campus. The Strong Start Academy focuses on strengthening decision making skills.

If you are interested in having your child participate, please complete the information form below leave it with Mr. Chambers at FRMS or Mrs. Hunt at EHS. Or email Mrs. Hunt at the address below.
