ELMIRA ELEMENTARY SCHOOL

Fern Ridge School District is seeking an innovative administrator, ready to step-in and lead a dynamic K-12 team.

EES has a strong history of academic excellence and creative innovation when it comes to the K-5 experience of our students.

If you are seeking the opportunity to meet the challenges of the K-5 environment in a small, tight-knit community we want to hear from you.

Elmira Elementary is one of two elementary schools in the district and serves over 200 students. EES is also home to the district's Bridge's Classrooms K-5.

EES staff include 16 classroom teachers, 20 classified staff and several specialists who come together as a team to serve their students and families.

FRSD is located 10-15 minutes from west Eugene and is only 45 minutes from the beautiful Oregon coast.

There is a strong history of community support most recently shown by passing a bond that enabled EES to move into a brand new school in January 2016.

Application Process & Timeline

*All applicants are invited to submit materials through TalentEd at:
fernridge.tedk12.com/hire*

Applications are being accepted March 8 - March 29, 2021 through TalentEd. Interviews are expected to be scheduled in late April with a panel that represents all district stakeholders.

Please include a cover letter, resume, four current letters of recommendation, transcripts (official or unofficial) and a copy of your current TSPC license in your TalentEd Application.

The successful candidate will demonstrate in their application the essential requirements, qualifications and personal strengths as detailed in the job positing.

Compensation is dependent upon experience with a salary range of \$84,388 - \$94,799 (these rates will increase July 1, 2021). FRSD offers a competitive benefits package including monthly TSA contributions. This position has a 215 work day calendar.
