State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a wellrounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

District Goals

For the 21-22 school year the board goals were:

Goal #1: Continue to engage constituents in the COVID-19 virtual environment (staff, students, parents) to elicit feedback that will help focus Board direction.

Goal #2: Provide a comprehensive system of support services to facilitate student and staff success, both academically and personally.

Goal #3: Invite the community and families to share with schools and district as a whole to emphasize the need for confinuous improvement in classroom instruction and student success
