## Fern Ridge School District #28J

Generic Voluntary Short Term Disability Enrollment Form

Have you considered how a **sickness**, **pregnancy**, **or accidental injury** may prevent you from working for more than a few days? Financially, how might that affect you? Could you afford to stay afloat for a few months if something were to happen?

Your Employer has provided you the opportunity to enroll in a Short Term Disability program that will provide you the financial protection you may need. This benefit replaces a portion of the income you may lose when afflicted by a disability.

## Voluntary Short Term Disability

The benefit described below is one your Employer has made available for you as an Employee of Fern Ridge School District #28J.

- Eligibility
  All Full-Time Employees working a minimum of 30 hours per week are eligible.
- Benefit Payment- Payment will be paid after the Elimination Period has been met and we have received proof that you have been disabled due to sickness or injury that requires the regular care of a Physician. You will receive a weekly payment based on your pre-disability earnings, not exceeding the maximum weekly benefit.
  - Benefit as % of Salary 60%
  - Maximum Weekly Benefit \$1,000
- Elimination Period- The number of days that you must be disabled before benefits begin. Your Elimination Period begins on the first day of your disability.
  - Injury 7 days
  - Sickness 7 days

Benefits will be paid while you are disabled for up to 12 weeks.

- Definition of Disability- You are considered disabled if due to sickness or injury and are unable to perform some or all of the material and substantial duties of your regular occupation. You must also have at least a 20% loss in pre-disability earnings. You are also considered disabled if you meet the Definition of Disability above, but are working in any occupation and have at least a 20% loss in Pre-Disability earnings. A loss of a professional occupational license or certification does not, by itself, mean you are disabled. This coverage provides benefits for injury or sickness that occurs when you are off the job. Occupational injuries and sicknesses are not covered.
  - Regular Occupation- means the occupation (as it is performed nationally) that you are
    routinely performing when disability begins. It does not mean the job you are performing for a
    specific employer or at a specific location.
  - Material and substantial duties- duties that are normally required for the performance of your occupation and cannot be reasonably omitted or changed.

This form is not part of your group's policy or the Certificate of Coverage you have been provided. The policy may contain certain Limitations and Exclusions not stated here. Please see the Certificate of Coverage for specific policy information.
