

DIPLOMA AVAILABILITY AND REQUIREMENTS ANNUAL NOTICE

In compliance with state law, the district provides multiple diploma paths for our students. These include regular diplomas, modified diplomas, extended diplomas and attendance certificates. The board policy that describes the various requirements is policy IKF. Policy IKF can be found at the following link: <https://policy.osba.org/fernridg/I/IKF%20D1.PDF>

If you have questions about the various diploma options please reach out to the High School Principal or Special Services Director.
