
Elmira Elementary Support Staff and Resources

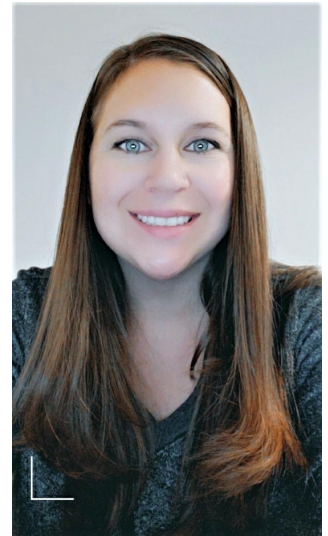

— Fern Ridge School District —

Mrs. Fischer, School Counselor

- Individual meetings with students
- Small groups
- Classroom counseling lessons
- Meeting with parents
- Working with teachers and staff
- Consulting with community organizations to benefit all Veneta and Elmira Elementary students

I can provide

- Temporary/short term support to help students overcome minor issues having an impact on their school performance
- I can assist in finding outside resources to help students and their families
- Support to ALL students
- I can meet with your child for a specific concern.
