

FRMS 2020-2021 Student Supply List (updated 8-10-20)

Please Note: For the 20-21 School Year we are waiving our \$10 Student Body Registration Fee. However, students will still need to have planners and planners will be used in their classrooms. Students are welcome to purchase planners from the FRMS Office for \$5 or provide their own.

On-Site Specific Information:

Due to current COVID 19 restrictions, students will not have a street locker or a gym locker. During this period, students will be allowed to have their backpacks in their cohort classroom and will have an assigned space to store items. In addition to a backpack, we recommend that students this year have a pencil pouch or pencil box to keep their supplies organized.

While students will not be required to dress down for P.E. due to our current COVID 19 restrictions, they will still be required to participate in P.E. We encourage all students to wear comfortable clothes and tennis shoes that they can be active in.

Whether students are learning on-site or via distance learning, they will need the following supplies*:

Planner to track assignments and deadlines (Can be purchased at FRMS for \$5)	Zippered Pencil Pouch or pencil box
3 inch binder	1 pack of colored pencils
2- 1 inch subject spiral notebooks	Loose leaf notebook paper
2 highlighters	Eraser
24 #2 pencils (Ticonderoga preferred)	3 folders
Ruler	Scientific 10 digit display Calculator
Protractor	1 pkg notebook dividers
Pens	1 Glue Stick or Small Bottle of Glue
	Student Scissors

When We Are Back In The Building:

Hand Sanitizer for Personal Use (Optional: FRMS will have hand sanitizing stations and hand sanitizer bottles in the classroom)

Donate a box of Kleenex Tissues for the Classroom. We appreciate every box that is donated.

If possible during distance learning please help your middle school student create a work area that they can use and where they can keep supplies and assignments. While the bulk of their work will be online, students will also need regular school supplies for real world projects and assignments.

Please remember to restock your middle schooler's school supplies periodically throughout the school year.
