	Note Taking 101	Explain strategies for quality note taking Identify key points to include and exclude in notes
	Note Taking 101-Part 2	Describe ways an organizer will assist in note taking Understand importance of asking questions
	Notes From a Lecture	Apply note taking skills to a lecture format Practice outlining to take quality notes
	Notes From a Text	

**Options EHS Strategies for Academic Success Scope and Sequence**

**Unit Lesson**

**Objectives**

Explain the steps for SQRW

Apply outlining techniques to notes from a text

Compare and Contrast Graphic Organizers

Describe purposes of compare and contrast organizers

Demonstrate use of compare and contrast organizers

Cause and Effect Graphic Organizers

Identify types of cause and effect organizers

Describe purposes of cause and effect organizers

Demonstrate use of cause and effect organizers

Topic Test

**Memorization Techniques**

Remembering Through Repetition

Define repetition as a strategy for remembering information

Describe the steps for using repetition

Demonstrate the use of flashcards to memorize information

Using Acronyms

Describe acronyms as a strategy for remembering information

Describe the steps for using acronyms

Demonstrate the use of acronyms to memorize information

Rhyming and Keywords

Describe rhyming and using keywords as a strategy for remembering information

Demonstrate the use of rhyming and using keywords to memorize information

**Options EHS Strategies for Academic Success**   **Scope and Sequence**

<b>Unit</b>	<b>Lesson</b>	<b>Objectives</b>
	Visualization and Categorization	
		Describe visualization and categorization as a strategy for remembering information
		Describe the steps for using visualization and categorization
		Demonstrate the use of visualizing and categorizing to memorize information
	Topic Test	
<b>5 Steps to Test Preparation</b>		
	Step 1 - Determine What to Study	
		Explore study preparation strategies
		Define and create a study activity checklist
	Step 2 - Organize Notes	
		Describe procedures for organizing notes
		Create a graphic organizer to synthesize notes
	Step 3 - Compile Study Materials	
		Identify materials for efficient studying
		Practice creating potential questions for tests
	Step 4 - Apply Memorization Techniques	
		Select from applicable memorization techniques to use in test preparation
	Step 5 - The Day of the Test	
		Identify test preparation strategies and their importance on test day
		Identify strategies to overcome test anxiety
