

The Vision, Assumptions, and Mission of Comprehensive Guidance and Counseling in Fern Ridge School District

Vision of Comprehensive Guidance and Counseling:

Guidance and counseling is an integral part of each school's total educational program in the Fern Ridge School District and is essential for each and every student's success. It is developmental by design and includes sequential activities organized and implemented by licensed school counselors and other staff in collaboration with administrators, teachers, students, parents, and other community partners. The guidance and counseling program contains the following components - guidance curriculum, individual planning with students, responsive services, system support and integration, and student advocacy. The guidance and counseling program addresses the needs, assets, and potential of each student by facilitating the development of skills for learning to learn, to work, to live, and to contribute to the community.
