Team Collaboration & Process

1. Gather input from teacher teams
2. Calibration of literacy knowledge and pedagogy
3. Reviewed district vision for reading instruction
4. Determined ELA priorities in alignment to the district mission
5. Created themes, (“shopping list”) of specific features we were looking for in a reading curriculum that support best practice.
6. Reviewed state [approved curriculum](#) based on [exemplary rating](#)

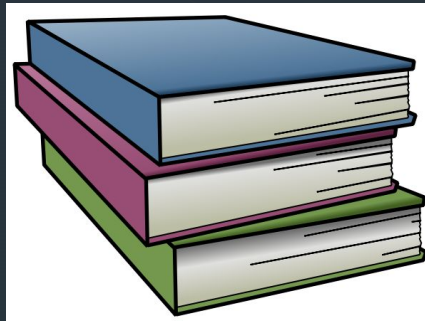

Calibration of Literacy Knowledge

SCARBOROUGH'S READING ROPE

Plans to support the district vision in the area of Language Arts:

- Curriculum alignment between grade level bands (K-5, 6-8, 9-12)
- Strong writing curriculum (integrated within reading)
- Multi-tiered systems (Core, Intervention, Special Education, TAG)
- Culturally relevant
- Language Arts PLCs, data review, standards based targeted instruction
