Testing Results

The Fern Ridge School District is current with all required testing as of the date of this document. Test results can be found on the Fern Ridge School District’s website at <https://www.fernridge.k12.or.us/district-and-state-reports/>. The Fern Ridge School District will also use current district email lists or communications programs to provide final test results to staff, students, parents of minor students, and other members of their community. This includes providing actual final test results or providing direct access to final test results through links in the communications. Please contact Michelle Smith at msmith@fernridge.k12.or.us to be added to current district email lists and programs. Specific test results can be found as follows:

- Lead in Water: <https://www.fernridge.k12.or.us/district-and-state-reports/>
- Radon: <https://www.fernridge.k12.or.us/district-and-state-reports/>

Website Link Maintenance

The Fern Ridge School District certifies that all website links for plan information and test results are current and functional.

Major Exposure Reduction Activities

The Fern Ridge School District did not conduct any activities during the past year resulting in reduced risk of exposure to hazardous materials.

I certify that the above information is true and accurate to the best of my knowledge.
