## Holiday Meal 2023

Another great year of celebrating the community and the Holiday break. Both Schools served record meal numbers. We could of done it without the great help form the staff and volunteers. Thank you for your support.

## Happy New Year!

Welcome to your monthly newsletter! We are excited to share our story with you! Last year through the Global Eats program the high and middle school experienced cuisines from China and India. In the new year they will experience meals from India and Mexico and returns of the favorites form each nation.

Our staff is amazing ....
